## The Music

Phil's World – very small!  
Plays anywhere.

If you are looking for great entertainment whatever your venue or occasion call Phil! Drawing from a repertoire of Classic Rock, Pop, Jazz & Blues there is set tailor -

made for your event.

Besides his soul / blues vocal much of the material also showcases Phil's exceptional guitar abilities including the best known instrumental hits like Albatross, Apache Samba Pa Ti.

The set lists are constantly being updated – there is more info on the website.

Performances are self-contained or for larger events why not book the band?

## If...

...only you had called me first!

Played at all sorts of venues over the years as solo act, bandleader and band member.

Plenty of humour along with some great Music.

From 2012 Phil is offering Spanish and classical guitar suitable for weddings and more intimate events.

## And...

"Call Phil!" Bobby G, Bucks Fizz

"The boy can play!" Edwin Starr

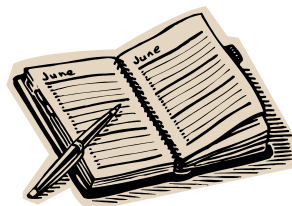

"The best guitarist I've ever seen!" Phil's Mum
